MURDERED HUSBAND

Woman Imprisoned in Penitentiary Thirty-Three Years.

EFFORTS TO SECURE PARDON

The Only Woman Ever Sentenced to Life Imprisonment in New Jersey Has Applied for a Pardon, Which Governor Contemplates Granting.

New York, April 14.—After 33 years of imprisonment Libbie Garbrandt, the only woman ever sentenced to life imprisonment in New Jersey, will, it is believed in Trenton, be released within a short time. Six of the eight members of the board of pardons are reported to have voted to report favorably on her petition for release.

A number of the most prominent women in the state have interested themselves in her case, and a petition bearing 40,000 names was sent to the governor a year ago.

Mrs. Garbrandt was sent to prison 33 years ago, having been convicted of poisoning her husband in a jealous rage. She was at that time only 17 years of age, and her youth was all that saved her from execution. For 20 years she has been pleading for a pardon, but never before has any of the petitions received favorable consideration. Heart failure now threatens to end her days at any time.

NO REASON FOR IT.

When Astoria Citizens Show the Way.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of diabetes or any kidney ills when relief is so near at hand and the most positive proof given that they can be cured. Read what an Astoria citizen says:

Mrs. N. Jacobson, living at 127 So. omi street, says: "In our experience Doan's Kidney Pills performed all that is claimed for them. Their action was speedy and the results satisfactory. I procured a box of them at Charles Rogers' drug store, 459 Commercial street, for my grandmother, Mrs. M. Beck, and she used them. From the satisfactory results obtained we value Doan's Kidney Pills exceedingly."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

Old Members Soaked.

At a meeting of the grand lodge A. O. U. W. held in Portland yesterday the new increased assessment was adopted. It applies to old men over 55 years of age who formerly paid \$3.50 for each death assessment, which was raised to \$5.40. This will have a tendency to drive a number of old members out, as it is considered an outrage, after a member has belonged for a number of years and paid increased assessments right along to now be forced out of the order. But, it is claimed by the officers who have investigated the matter that the financial condition of the order rendered the change imperative. It was either increase the assessment or not pay the death benefit. If the old men drop out, they are too old to secure any life

insurance, and it is the families who will suffer by the increased assessment.

Increased Assessment.

Henceforth all the property in Josephine county in southern Oregon will be assessed at its full cash value instead of at one-half or one-third, as has always been done in the past. This is by order of the county court, and will mean the reduction of the levy by mills to nearly one-half. The new order will give an upward tendency to real estate values and place the county on a much more substantial footing. Another object is that eastern people coming to the coast may be induced to locate in a county of low assessment. People coming to Oregon to invest, inquire among other things, what is the assessment in the county. If they are told that it is 50 mills, the same as in Clatsop county, they invariably go away. But if the assessment is only 25 mills, it is an inducement for them to locate. If Clatsop county would follow the rule to be followed in Josephine county, it would make a big difference in increasing the population.

Assessments Filed.

The city board of assessors have completed the assessments and filed their report in the office of the auditor and police judge on the following street improvements: Duane, between Forty-third and Forty-fourth, \$1257; Forty-third, between Franklin and Duane, \$976.44; Commercial, between Forty-fourth and Forty-fifth, \$976; Forty-fifth, between Bond and Commercial, \$1522; Forty-fourth, between Duane and Commercial, \$879.10. The completion of these improvements in connection with Franklin avenue forms a thoroughfare on solid ground from the west line of Adair's to Alderbrook and obviates the necessity of using the old roadway along the water front.

Elks Funeral Notice.

When leading physicians said that W. M. Smithard, of Peking, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of his grave. SKIN DISEASES

Altoona, Pa., June 20, 1903. I was afflicted with Tetter in bad shape. It would appear in blotches as large as my hand, a yellowish color, and scale off. You can imagine how offensive it was. For twelve years I was afflicted with this trouble. At night it was a case of scratch and many times no rest at all. Seeing the good the medicine was doing a friend who was taking it for Eczema, I commenced it, and as a result the eruption began to dry up and disappear, and to-day I am practically a well man. Only two tiny spots are left on the elbow and shin, where once the whole body was affected. I have every confidence in the medicine, and feel sure that in a short time these two remaining spots will disappear. S. S. S. is certainly a great blood purifier, and has done me a world of good. I am grateful for what it has accomplished, and trust that what I have said will lead others who are similarly afflicted to take the remedy and obtain the same good results that I have.

125 East Fifth Ave. JOHN F. LEAR.

While washes, soaps, salves and powders relieve temporarily, they do not reach the real cause of the disease. The blood must be purified before the cure is permanent. S. S. S. contains no potash, arsenic or mineral of any description, but is guaranteed purely vegetable. Send for our book on the skin and its diseases, which is mailed free. Our physicians will cheerfully advise without charge any who write us about their case.

The Medicine That Cures.

Wine of Cardui absolutely does cure sick women. I consider it the most valuable medicine, and it is the cheapest cure any sick woman can use, as it takes as a rule, only a few bottles to effect a complete and lasting cure. I especially recommend it for uterine or ovarian troubles, inflammation and ulceration, painful, profuse or scanty menstruation and it is a most valuable adjunct to use during the gestative period, insuring easy childbirth and speedy recovery.

It should have a place in every home as it is a true friend to wife, mother and maiden and I most heartily recommend it.

Dr. Mrs. Buchanan is an authority on the science of medicine and certainly appreciates the great work physicians are doing for the relief of sufferers. But this does not deter her from expressing her views in praise of Wine of Cardui.

Mrs. Buchanan's high intelligence and long and successful experience render her advice of great value. Wine of Cardui regulates menstruation, cures bearing-down pains and relieves suffering women of the pain and misery to which their sex is heir. You have the word of Dr. Buchanan and thousands of other eminent women that Wine of Cardui will completely cure you.

All druggists sell \$1.00 bottles Wine of Cardui.
